

# Using your KCLS student account for research:

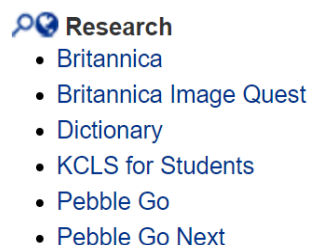

**Step 1:** Double-click “Destiny” shortcut on your desktop.

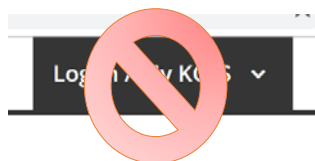

**Step 2:** Find and select our school from the list.

**Step 3:** Select “KCLS for Students.”

**NOTE:** DO NOT select the KCLS log in button, this is only used when using a regular KCLS card, NOT a KCLS student account.

**Step 4:** Select “Elementary School Students.”

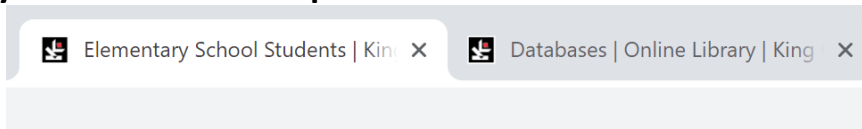

**Step 5:** Right click on “Databases” and select “Open link in new tab.”

[Databases](#)

**NOTE: It's important to open links in a new tab so you can easily get back to the home page, otherwise, you'll have to do steps 1-4 over.**

**Step 6:** Again, right click on the database you want to use and select “open link in new tab.”

**Biography in Context** »   
Biographical sketches and magazine articles focusing on nearly 275,000 individuals.

**BookFlix Video Storybooks** »   
Online literacy resource that pairs classic video storybooks with related nonfiction eBooks to build a love of reading and learning in young readers in grades pre-K-3.

**Britannica Online** »   
Articles, illustrations, definitions, and weblinks. *For technical support, please contact [edsupport@eb.com](mailto:edsupport@eb.com) or 1-800-621-3900, ext. 7160.*

**Step 7:** Enter your library account number (414+student ID #) and PIN (last four digits of your student ID).

Log In to Databases  
You'll need an active [KCLS library account](#) to use this database.

**NOTE:** Now you can easily go back to main page for databases if you want to go to a different database. Be sure to “x” out of tabs you no longer need to use.

**NOTE:** Anytime you are asked to create an account, **DON'T!** You must have parent permission and parent must use his/her personal information to create account for you at home. These are not to be used at school.

**DO NOT create accounts at school!**
